Important information for delegates attending Octavo training

If you are attending one of our courses please confirm if you require gluten-free, diary-free, vegan, vegetarian (or other) catering for lunch.

Please can you also make us aware if you need any adjustments with regards to entering and exiting our premises. In the event of a fire evacuation, our staff are trained to use an evacuation chair to assist those who may have mobility issues to vacate the building. If you do not wish to use an evacuation chair and still wish to attend, we ask you to acknowledge that this is your own choice.

Completed forms should be returned to enquiries@octavopartnership.org.

If you would like to be added to our marketing mailing list to receive updates and news on our services and courses, including tailored communications based on your job title, please tick here.
