

NQT Appropriate Body Service

£195 per
NQT per
induction

Independent quality assurance and verification of your NQT processes. We support your teachers from the very beginning of their induction year through to final assessment and certification.

Benefits

- Expert advice to schools and academies regarding the statutory requirements for NQT induction
- Provision of a named contact for the NQT with whom to raise professional concerns
- Individual support to schools where NQTs are experiencing difficulties
- Quality assurance of the NQT processes to comply with statutory requirements
- Quality assurance reviews followed by feedback
- Recommendations provided to enhance potential development areas identified
- Underpinned by user friendly online system which can be accessed from anywhere
